

i30

We have a passion for progress.

The “can-do” spirit is at the heart of Hyundai’s heritage. It’s the attitude of progressing, no matter what. From humble beginnings, this vision has driven us to seek new challenges, encapsulated since our founding in the name ‘Hyundai’ – meaning ‘modern times’.

It’s the persistent curiosity for what lies ahead. Of always chasing the next. What was once a man’s desire for better is today the ethos of an entire company. As our founder said: “How does one know it’s impossible if one hasn’t tried it?”

Progress doesn’t happen by chance. We’re always pushing the borders of the possible, building tomorrow’s technology today, and powering the future with an ever-evolving range of zero-emission engines, seamless in-car connectivity and more.

We’ve come a long way. And we won’t stop here. Next awaits.

Car shown i30 Fastback N Line in Sunset Red Pearl.

Style that demands attention.

Eye catching design, in every detail.

Bold and aerodynamic: The contoured front-end delivers a commanding stance.

Sporty alloys wheels add style and individuality.

Aerodynamic rear styling with an integrated exhaust.

The i30's bold lines and elegant curves create a sleek, eye-catching design. The sculpted bumper and purposeful grille give the i30 grace in motion – complemented by LED Daytime running lamps and sporty alloy wheels. It's just as desirable from the driving seat, with a high-quality interior for a premium experience.

Explore the open road.

The i30. Built for power and agility.
Designed for comfort and efficiency.

Car shown i30 Premium.

The i30's fuel-efficient powertrains let you decide the ride you need offering improved emissions and MPG, thanks to its 48 Volt Mild Hybrid technology. You have a choice of a 1.0 T-GDi 120PS or 1.5 T-GDi 159PS petrol engine, and both come as either a manual or DCT automatic. Whatever the journey brings your way, handle it in comfort with a spacious interior and convenient technology. Wireless phone charging, heated seats and smart key & button start are just some of available features. *not standard on all trims.

Car Shown i30 Hatchback Premium in Silky Bronze Metallic. Not to UK specification.
Panoramic sunroof not available in UK.

Next level driving.

Take driving into the pleasure zone with a track-inspired experience.

Car shown i30 Hatchback N Line Premium in Sunset Red Pearl.

Welcome to N Line driving - enhanced performance, enhanced technology and an enhanced driving experience inspired by the track. With refined design all round, signature styling and 159PS from the 1.5 T-GDi 48 Volt Mild Hybrid powertrain, the i30 N Line delivers a potent combination of power and poise.

Next level comfort and control.

Subtle elegance and signature styling throughout.

Advanced infotainment at your fingertips with the 10.25" touchscreen navigation.

When it comes to comfort, the interior of the i30 stands out from the crowd. Subtle design and tactile surfaces are easy on the eye and responsive to the touch for positive command. Both the Premium and N Line trims include a large 10.25" touchscreen, ready for all navigation and exploration, taking the driver-centered approach to the next level.

BlueLink® Connected Car Services. Available on Premium and N Line models.

Phone Connection – Apple CarPlay™ / Android Auto™. Available on all trims.

Travel, better connected.

Take your life on the road with smarter in-car technology and seamless phone syncing.

10.25" Touchscreen Navigation with BlueLink. Available on Premium and N Line models.

Turn your car into your co-pilot with smart technology that links your devices. Bluetooth® with voice recognition and a 7" digital cluster keeps your focus on the road, while Apple Carplay™/Android Auto™ compatibility makes connecting a breeze. Find your destination without a fuss using the 10.25" touchscreen navigation, connect to LIVE services and Hyundai BlueLink® with fully automated personal connectivity between the i30 and your device*.

*7" digital cluster and 10.25" navigation are standard on Premium and N Line only.

Customise to perfection.

Accessorize the interior of your i30 and select the finishes to suit your style. Choose from a selection of chrome trims for the exterior to stand out from the crowd. Take it a step further with LED door projectors that light up the pavement and project the i30 logo onto the ground below.

Tailgate trim - Chrome

Protect what matters most.

A car that keeps your loved ones safe.

Driver Attention Warning (DAW): When a pattern of fatigue or distraction is identified, the system gets your attention with an alert and pop-up message suggesting a break.

Front Collision Avoidance (FCA): The front view camera and radar sensors warn drivers of imminent collisions with vehicles and objects, applying the brakes when necessary to avoid collisions.

High Beam Assist (HBA): Less stress and maximum visibility. HBA not only detects oncoming vehicles but also vehicles in the same lane ahead and switches to low-beam as appropriate.

Lane Follow Assist (LFA): Smart sensors and the forward-facing camera detect when the car drifts from the centre of the lane, applying steering torque to hold road positioning for safety. The car also estimates the trajectory of the vehicle ahead and adjusts its position accordingly. Standard on Premium models.

Lane Keep Assist (LKA): The Lane Keep Assist (LKA) uses the front multi-function camera to monitor the lines of the road. In case of an unintended lane departure, it warns you and can apply counter steering torque to guide the car back to the lane.

Rear Cross-traffic Collision Warning (RCCW): Sensors detect vehicles approaching from both sides when the i30 is in reverse, avoiding collisions in congested or reduced visibility environments such as car parks. Standard on Premium models.

The i30 is equipped with systems to protect passengers. Blind Spot Collision Warning and Rear Collision Warning, both available on Premium, alert you if anyone's too close. Lane Keep Assist helps you stay within the lines. The Tyre Pressure Monitoring System alerts you to punctures, and if the worst happens, the innovative eCall button will tell the emergency services exactly where you are.

Timeless finishing and new beginnings.

Sometimes the little things tell you all you need to know. With carefully selected trims and modern design in harmony, the i30 offers a complete range of interior options. Fabric, leather and colour coded stitching combine for a refined feeling of comfort and style to add to your drive.

Cloth - Standard on SE Connect
